T.E.A.C.H. Applications Now Being Accepted!

UAEYC is accepting applications for the T.E.A.C.H. Early Childhood Utah Scholarship.

Applicant's interested in being considered for the Spring 2019 Semester should submit an application by October 31 2018.

Applications are accepted on an ongoing basis and may be submitted at any time to be considered for upcoming semesters.

The T.E.A.C.H. Scholarship is a unique debt free pathway to a college education for those currently working in the early childhood profession. This scholarship is available to early childhood professionals currently working in licensed center-based child care. Scholarship recipients will study Early Childhood course work and obtain a degree in early childhood. The knowledge and skills gained through taking classes can be immediately used in their work with children. Our recipients have increased their knowledge of early childhood, their enjoyment of the field and their confidence in themselves and their work with children.

Priority will be given to center directors and assistant directors.
