

Care About Childcare

As part of implementing the CCDF reauthorization changes, the DWS Office of Child Care (OCC) is required to set subsidy payment rates "with base payment rates established at least at a level sufficient for child care providers to meet health, safety, quality, and staffing requirements." 45 CFR Section 98.45 (2016)).

OCC has presented two drafts of the Child Care Quality System (CCQS) and has made further changes based on feedback received. As part of the ongoing conversation on CCQS, OCC will discuss the feedback and most recent proposal of the quality system at a public meeting in September.

You are invited to a meeting to discuss the revised proposal on Monday, September 18, from 2:00 - 3:30 pm at 1385 S. State Street in room 157A in Salt Lake City, Utah. You may also participate by phone ((877) 820-7831 and use passcode 323419)
