

Care About Childcare

As part of implementing the CCDF reauthorization changes, the DWS Office of Child Care (OCC) is required to set subsidy payment rates "with base payment rates established at least at a level sufficient for child care providers to meet health, safety, quality, and staffing requirements." 45 CFR Section 98.45 (2016)).

OCC presented the proposed levels of quality in March and asked for feedback. That feedback has been considered and OCC is ready to present a revised proposal for discussion and input.

You are invited to a meeting to discuss the revised proposal on Wednesday, May 31, from 1:00 - 2:30 pm at 1385 S. State Street in room 157A.

Thank you.
